

Welcome to the Maze Challenge by Leaders Family Farms

This year's challenge will have you looking for ten numbered posts throughout the maze. Some of the posts will have a letter on them.

Just follow your map through the maze and find the ten posts in order 1 – 10. As you discover the posts, check the number and write the letter (if there is one) in the box on your map to show the locations where you found them. The posts will also help you locate where you are in the maze!

At the end of the maze, go to the concession stand and fill out the ballot, marking the letters where you found them. Then unscramble your letters to spell the secret word. Each correct ballot will be eligible for our weekly **\$50 gift card drawing** sponsored by the Napoleon Walmart Supercenter.

Write in the information below with your answers for your chance to win.

Good luck and **have a farmtastic day!**
